

## Web Site Advertising Opportunities

As we roll out our new web site, we wanted to give our members yet another way to market their business. The board of directors has approved a new web advertising campaign. By advertising on the chamber web site you give your business more exposure to those visiting the web site. There are two ad sizes available. Here is how it works:

<p>A single size ad 225 pixels wide by 110 pixels tall (apx size shown here).</p> <p><b>\$300.00 per year.</b></p> <p>Design services not included in ad price. Ads should be designed to the specified size and at no more than 96 DPI. If you need someone to design the ad for you, call the chamber office.</p>	
<p>Double size ad 225 pixels wide by 220 pixels tall (apx size shown here)</p> <p><b>\$600.00 per year.</b></p> <p>Design services not included in ad price. Ads should be designed to the specified size and at no more than 96 DPI. If you need someone to design the ad for you, call the chamber office.</p>	
<ul style="list-style-type: none"> <li>• Links from the ad to your web site.</li> <li>• Ads will appear on the home page, the members list page, local government and contacts page, board of directors page, business assistance page.</li> </ul>
